**Employment History**

*August 2007 – September 2008*  
*Graphic Designer, Small Studio*

Concept development, design and finished art for print and screen based media. Answering to the company director, my responsibilities included identity design, page layout, web design, illustration, flash animation, interface design and packaging design for clients primarily based in the arts, entertainment and software industries.

Additional responsibilities included client, supplier and contractor liaison, quoting and estimates, CMS data entry, photo retouching and HTML/CSS coding.

---

*March 2006 – August 2007*  
*Graphic Designer, Copirite Design Studio*

Concept development, design and finished art for print and screen based media. Answering to the company director, my responsibilities included design for large format media such as posters, shop installations, banners and wayfinding systems as well as identity, web and flash design for clients primarily based in the hospitality industry.

Additional responsibilities included art direction and mentoring of junior designers, copy writing, client and supplier liaison.

---

*November 2005 – March 2006*  
*Art Director, Fast Proof Press*

Concept development, project management and design for Aura magazine. Answering to the Editor, my responsibilities included the creation of grids and style guides, page layout, typesetting, photo retouching, photo-shoot concepting, illustration, run of book planning and project coordination with a large group of contributors and stakeholders.

*June 2005 – November 2005*  
*Graphic Designer, Fast Proof Press*

Answering to the Art Director and Editor, my responsibilities included design and finished art for Aura magazine.

*December 2003 – July 2005*  
*Mac Operator, Fast Proof Press*

Finished art and pre-press.

---

*2003 – 2008*  
*Freelance work*

Key projects include branding and design for Sony/BMG's Bandit.fm music portal, branding and design for Rabbit Hole Urban Music, Surf-wear design for Voodoo Dolls and costume design for the acclaimed Australian film Little Fish.

---
